Occupational Health and Safety Policy Statement

This is the Health & Safety Policy Statement of

RANDALL SURVEYS LLP

Our statement of general policy is:

- To provide adequate control of the health and safety risks arising from our work activities and meet our legal requirements
- To consult with our employees on matters affecting their health and safety
- To provide and maintain safe plant and equipment
- To ensure that responsibilities for OH & S are properly identified and all employees are aware of their responsibilities and those of others within the organisation
- To provide information, instruction and supervision for employees
- To ensure all employees are competent to do their tasks and to give them adequate training
- To prevent accidents and cases of work-related ill health
- To maintain safe and healthy working conditions
- To review and revise this policy as necessary at regular intervals
- To commit to continually improving our OH & S objectives and procedures
- To comply with current OH & S legislation and any other relevant requirements
